Itinerary

Day 0: Arrival at Kilimanjaro Airport

Pick up at the airport and transfer to Amini Maasai Lodge. Rest of the day at leisure.

Day 1: Arusha NP - Project visits - Maasai Lodge

You will be picked up by an experienced guide in a Toyota Land Cruiser where you will set off on your first game drive through Arusha National Park. The national park surrounds Mount Meru, Kilimanjaro's little brother, and offers a variety of landscapes, from open savannah and rainforest to swamps and lakes.

Next you will be given the option to either extend the game drive with a guided canoe ride across Lake Momela to spot hippos, or, skip the canoe ride and visit a number of Africa Amini Life Society projects.

The Africa Amini Life Society owns three lodges and is a prime example of sustainable tourism ran by the local community. The income generated by the lodges is shared with the surrounding communities and funds a hospital, several workshops and schools - all of which give back to the community by providing access to education, improving living standards and offering job opportunities.

Finally, you will continue through a hilly savannah landscape to the Original Maasai Lodge, part of the Africa Amini Life Society, where you will be welcomed by the Maasai. With views of Kilimanjaro and Mount Meru, you will spend the night in a modern room built and modelled on typical Maasai huts and constructed with traditional materials. Here you will experience an authentic Maasai life.

Places Visited:

- Arusha National Park
- Lake Momela or Local Project Visits
- Amini Maasai Lodge
- Sinya WMA
- Kambi Ya Samaki

Day 2: Maasai Lodge - Sinya WMA - Kambi ya Tembo

On day two you will be provided with a couple of options:

- Maasai Lodge offers some activities such as nature walks, mountain bike tours and excursions to Maasai villages with participation in various activities.
- Alternatively, take an early morning drive to Sinya, a nature reserve on the edge of Amboseli National Park. Here you can take an extended walk through the bush with your guide and learn how to read the tracks of different animals. Seeing animals this way is an incredible experience, very different from a game drives.

In the late afternoon you will arrive at Kambi ya Tembo Tented Camp, where you can recover from the days activities and enjoy an evening meal. After dinner you will go on a night game drive looking for animals - a unique experience that can't be compared to anything else.

Day 3: Bush Camp - Kambi ya Tembo Tented Camp - Sinya WMA

On the final day, you can go for an early morning game drive or a nature walk - one of the best times to experience nature and being on safari. After breakfast you will go on another game drive before heading back to either: Arusha National Airport if you are staying in Zanzibar, or, to Kilimanjaro International Airport.
